Subject No. 462
Location of a Deputy Amildar at Talkad.

Summary of discussion.—Talkad, formerly the head quarters of a Taluk, is an important frontier station with a large population and a noted place for bad characters. The location of a Deputy Amildar at Talkad is therefore desirable.

Reply of Government.—Noted.

Subject No. 463
Water-supply.

Summary of discussion.—The chief source of water supply to the town of Talkad is the Cauvery which is nearly 5 furlongs from it. Villagers and cattle suffer during the hot season having to go all the way on the heated sand to the river. The supply of water to the channel which runs close to Talkad may therefore be ordered.

Reply of Government.—Referred to the Deputy Commissioner for needful action.

Subject No. 464
Restoration of the temples at Talkad.

Summary of discussion.—Talkad is an important place of pilgrimage and contains many ancient temples which are badly in want of repair. Moreover some are buried under the sand which has to be removed during Panchalinga Darusana festival. These temples which attract so many devotees may be restored and their condition bettered.

Reply of Government.—This is being done as far as possible.

Subject No. 465
Police Station at Gargeswari.

Summary of discussion.—A Police Station may be located at Gargeswari which is a village containing a large Mahomedan and Hindu population and through which hundreds of carts pass daily during nights.

Reply of Government.—The Deputy Commissioner will do the needful as early as possible.

Subject No. 466
Establishment of a timber Depot at T. Narsipur.

Summary of discussion.—The establishment of a timber depot at Tirumakudlu-Narispur may be ordered at an early date as the want of it is much felt and has more than once been brought to the notice of Government.

Reply of Government.—A depot will be opened tentatively for 6 months or so. Its continuance after that period will of course depend upon the results of the sales.

Subject No. 467
Bathing ghats at T. Narsipur.

Summary of discussion.—The bathing ghats at Tirumakudlu-Narsipur are old and considerably damaged. The existing flight of steps is so bad that accidents are of frequent occurrence. These ghats may therefore be repaired, the stones required for the work being, if necessary, obtained from some of the ruined temples in the Taluk.

Reply of Government.—Referred to Local Fund Board for such action as may be called for.

Subject No. 468
Repair of the revetment along the banks of the Cauvery.

Summary of discussion.—Tirumakudlu being a place of pilgrimage, rulers of former times reveted the banks of the Cauvery near the village but time and floods have

thrown the revetment in several places out of order. Its early restoration in the interests of people resorting to the river for bath. &c., is desirable.

Reply of Government.—Referred to Local Fund Board.

Subject No. 469
Wet cultivation behind the houses in Sosale.

Summary of discussion.—Wet cultivation within the Municipal limits of the town of Sosale is a nuisance and injuriously affects the health of its inhabitants. The stoppage of such cultivation may therefore be ordered.

Reply of Government.—The Deputy Commissioner will make a local inspection and submit a report on the subject.

Subject No. 470
Portion of the Mohatarfa collected in Mudukdore Jatra being given for the Diparadhane of Kirthinarayanaswami, Vydyesvaraswami and Patalesvaraswami in Talkad.

Summary of discussion.—(*a*) One-half of the Mohatarfa collected in Mudukdore Jatra in the Tirumakudlu-Narsipur Taluk may be given for the Diparadhane of Kirthinarayanaswami, Vydyesvaraswami and Patalesvaraswami in Talkad. (*b*) From some other funds of the Tirumakudlu-Narsipur Taluk provision may also be made for the daily expenses of the famous temples of Agastyeswaraswami in Tirumakudlu and of Gunja Narasimhaswami in Tirumakudlu-Narsipur. (*c*) Government may further be pleased to hand over the sand dunes of Talkad to these temples on condition of the people interested therein planting up and improving them and utilizing the usufruct towards the expenses connected with those institutions.

Reply of Government.—Requests (*a*) and (*b*) are inadmissible. The Deputy Commissioner will be asked to report as to feasibility of complying with request (*c*).

Subject No. 471
Temples of Pattabhi Ramaswami and Narayanaswami of Nelamane, &c., being taken under Government management.

Summary of discussion.—The temples of Pattabhi Ramaswami and Narayanaswami of Nelamane, Kodanda Ramasawmi of Kyathanahalli and Ramadevaru of Haravu, may be taken under Government management, and suitable arrangements made for the proper performance of pooja therein.

Reply of Government.—The Muzrai Superintendent will see what could be done in the matter.

Subject No. 472
Grant of lands under the Sriramadevaru north channel to the Esvara temples at Krishnarajpet and Kikkeri.

Summary of discussion.—The application for the grant of lands under the Sriramadevaru north channel for the benefit of the Esvara temples at Krishnarajpet and Kikkeri remains undisposed of. Early orders are solicited.

Reply of Government.—Referred to the Deputy Commissioner for early disposal.

Subject No. 473
Water for lands under the Annianakatte tank.

Summary of discussion.—Under the Annianakatte tank and channels, many people have purchased lands for wet cultivation. The lands are not supplied with water and the consequence is that they have been lying waste for the last six or seven years. The Public Works Department may therefore be ordered to supply water to the lands without further delay.
